PRODUCT DATA SHEET

ODOR NEUTRALIZER

PRODUCT INFORMATION :

- Strongly neutralize hydrogen sulfide or unpleasant odors with the natural power of peroxide
- Preventing sulfide formulation and enhancing organic oxidation
- Rapidly break down into oxygen and water
- Instantly controls odor without using overpower masking scent or chemicals
- Improve degradation and deodorization of odor sources
- Application include wastewater or compost facilities, garbage transfer station, landfill, rendering plants, solid waste handling, laundries and vegetable wastes
- Ecologically sound with effective extra atom of oxygen

Composition

DI water	91.4% (w/w)
Coconut fatty acid	3.6% (w/w)
Hydrogen peroxide	5.0% (w/w)

DIRECTIONS :

1. Apply Odor Neutralizer 1:100 or 200 per waste volume or depend on contaminated area then applied by spraying on to odor-producing substances for 10-30 minutes prior to apply KEEEN ODOR ELIMINATOR
2. Usage frequency depends on the accumulation rate of waste substances causing odor.
3. For best results, recommend to apply KEEEN surface cleaner used in the mop bucket by adding 1:40 ratio to the water to mop floors around the area. After mopping, pour the remaining contents of the mop bucket down the floor drain to treat the drain line.

PRODUCT AVAILABILITY

ODOR NEUTRALIZER – products are available in packages with the following standard diameter, width, lengths and height:

ODOR NEUTRALIZER					
Product Size	Diameter (mm.)	Width (mm.)	Height (mm.)	Length (mm.)	Weight (kg.)
250 ml.	58	-	145	-	0.287
250 ml. (Spray)	58	-	195	-	0.302
1 L.	86	-	254	-	1.138
5 L.	-	145	215	240	5.943
20 L.	-	250	300	370	21.475

NOTE: Available also in 200 liter drums and 1000 liter containers

CAUTION : KEEP OUT OF REACH OF CHILDREN. Do not take internally. Avoid contact with eyes. Wash thoroughly after handling. Avoid breathing mist. May irritate eyes or respiratory system. Use with adequate ventilation.
